New Vegas English Language Pack. 0 comments. Asked by: Chris3P4 Have you tried the disc? The included install disc comes with a language pack but it never works for me. If that doesn't work the steam version should have the language pack in it already. Asked by: cheryx Just tried to install the English language pack on a clean install and the only thing it said was, "Set the Steam Language, from: English to: German." The installed language pack says "System Language: German." When I manually set it to English it still didn't load it, but the next time I logged in, it was there. Asked by: Chirag Hello sir, I am also facing the same issue. I am using Ubuntu 13.04 64bit. Have been installing english language pack over & over again. Everytime giving an error of "fallout [name of the game] is already installed. Please uninstall it first." Please help. Asked by: Chris3P4 Try holding down the "X" button when starting the game for about 3 seconds and then the eject button. If that's not working for you, steam itself may be corrupted. If that's not the case you should probably reinstall steam. Asked by: Chirag Hi Sir, I did the same as you said, nothing happened. I have noticed when I open steam, it automatically gives me an error when I try to start the game, which says "A fatal error has occurred. Could not find required file Fallout. Fallout New Vegas English Language Pack [name of the game] ". So I tried to reinstall steam but then steam doesn't open and automatically give me the same error. Asked by: Chirag Thank you for the reply, the game gets installed but I can't play it because I am getting the same error. Please help. Asked by: Chirag Hi Sir, I have been trying with the steam version as well but no luck. I can install the game, but it keeps giving me the same error. Asked by: Chirag I also tried with the disc but the same thing happened, It didn't give me any error like previous but when I install it like that, it says "System language: German. And also there is no English language pack on it. Asked by: Chris3 1cb139a0ed
