In 2014, the first online master's degree was granted in Forensic Anthropology by The University of Huddersfield. It is now possible for students to complete the degree from home without having to commute to Huddersfield. Visit http://fhs.ahds.ac.uk/ for more information. In 2018, the U.S. DOE selected a site near Milford, Utah, for the FORGE laboratory. The location met the criteria of adequate and accessible subsurface temperature with benign seismicity and appropriate environmental attributes. Since its inception, multiple vertical monitoring wells -for geophone emplacement have been drilled, along with a 65 lateral. All declared English majors and minors must take the departmental gateway courses as prerequisites to upper-level major courses. The gateway courses should be taken in the sophomore year. All transfers into the major must take the gateway courses in the first two semesters after their transfer. (Transfer students may take the gateway courses concurrently with upper-level major courses.) He then gets an offer to compose the music. "Inception" director Christopher Nolan contacted me and requested I score the film. I met with him and his co-writers to discuss the story and the music that would come out of it. Together we worked on the script. I spent weeks and months developing music and a theme for the characters that could evolve throughout the film. We also started thinking about what role this music would play in the film and how it would influence the plot." 5ec8ef588b
