## Intergraph Plant Design System PDS 80rarrar [WORK]

September 26, 2018 - Emirati companies to build photovoltaic power plant in Syria. [://coub.com/stories/3091596-intergraph-plant-design-system-pds-80rarrar-alegon. html](http://coub.com/stories/3091596-intergraph-plant-design-system-pds-80rarrar-alegon.html) In December 2017, a photovoltaic power plant was put into operation in Syria. The construction of the power plant was entrusted to the Emerald company, which became a joint venture between Emerald and the Emirati company Intergraph PDS. In the photo: a joint power plant of two companies. The power plant has a total area of 20 hectares. At the moment, Emerald is producing more power than was received from the project to cover the electricity costs associated with the project.
